*Equal opportunities lie at the heart of all that we do at Woolgrove School. We are committed to ensuring that every member of the school community, whatever their position, race, gender, disability or religion is given the same chance as any other to access the services and support of the school*

## **1. A Vision for CPD – Principles, Values and Entitlements**

Woolgrove School is committed to fostering a positive climate for continuous learning for all staff and pupils. We support the philosophy that “effective teachers should take ownership and give a high priority to professional development” (DCSF)

At Woolgrove we will strive to:

- Provide all staff (teaching, support, administrative, site management) and governors equality of access to high-quality induction and continuing professional development.
- Provide coherent and progressive opportunities for staff to develop professionally and personally.
- Provide all members of the school community with the opportunity through performance management and appraisal to discuss their professional development needs.
- Obtain appropriate quality standards in organisations that support effective CPD, e.g. Investors in People, Healthy Schools awards, Charter Marks, Basic Skills Quality Marks.

CPD planning will be linked and integrated with the school’s improvement plan and be based on a range of information:

- The needs of the school as identified through its self-evaluation.
- Issues identified through monitoring, e.g. OFSTED, quality standards such as Investors in People.
- National and local priorities, e.g. national strategies, the LA’s EDP (educational development plan), local community priorities.
- Performance Management and appraisal of staff.
- Feedback from staff and others, including governors, pupils and parents.
- The diverse and changing personal, social and educational needs of our pupils.
