Dear Parents / Carers

As you are aware over the last two days the school has undergone an inspection by The Office for Standards in Education (OFSTED).

The inspection was led by John Mitcheson, HMI, and was a comprehensive examination of all aspects of school life. Quite rightly the inspectors rigorously tested the school against a long list of criteria to ensure that we are providing a happy, safe, challenging environment in which the children can achieve their potential.

During the two days there was a lot of activity in the school with classrooms being visited and children speaking to the Inspectors etc. Throughout the process the children were a credit to the school. Their behaviour was exemplary and coupled with the continued hard work of all the staff at Woolgrove, I was very proud of how the school presented itself.

I would also like to thank those of you who submitted your views on the school. The thoughts of parents and carers are very important to us as a school and also provide OFSTED with a vital insight into your opinions.

We do not receive the official rating from the inspection team for 3-4 weeks and I will share the findings with you as soon as I am aware.

I would like to thank each and every one of you for your continued support for the school and the work we are doing.

Yours sincerely

Lisa Hall
