

WOOLGROVE SCHOOL GUIDELINES FOR CHANGING NAPPIES

'Equal opportunities lie at the heart of all that we do at Woolgrove. We are committed to ensuring that every member of the school community, whatever their position, race, gender, disability or religion is given the same chance as any other to access the services and support of the school'.

Intimate Care

Vicky Litchfield
February 2019

Intimate care is any care which involves washing, touching or carrying out an invasive procedure which are children are unable to do for themselves arising from the child's stage of development.

Intimate care may involve helping with drinking, eating, dressing, toileting or comforting. In most cases at school intimate care will involve procedures to do with personal hygiene.

Staff at Woolgrove providing intimate care are aware of the need to adhere to good Child Protection practice in order to minimise the risks for both the children and themselves. All school staff are supported and trained so that they feel confident in their practice.

In order to best meet the needs of the children when they are with us individual agreements between parents and the school with regard to intimate care are written.

Guidelines for changing nappies (pads)

Children who are not yet fully toilet training will require their nappies or pull-ups (pads) to be regularly checked and changed. An intimate care agreement should be written and signed by parents and the class teacher. (Appendix 1)

Who

should change nappies?

Any member of staff who is DSB checked has a responsibility to change a child's nappy should it be soiled. Children should be changed at lunchtime, at home time and at any other time during the day should it be necessary.

Where should nappies be changed?

Nappies or soiled clothing should be changed in the changing area/sluice room in the toilet area or in cubicles in classroom toilets. If necessary, the child should lay on the changing bed or a changing mat to be changed and not on the floor. Privacy and dignity should be maintained at all times. The door to the toilet should remain closed during this time.

What resources will be used?

Parents should provide nappies, nappy sacks, wipes and spare clothing for children who may require it throughout the school day. Some classes may have a small stock of nappy sacks, wipes, spare clothing and nappies, which can be used if a parent has forgotten to send in these items. However,

parents should be asked to send in these items as quickly as possible as the school will not have an endless supply. A letter asking parents to send in the required items should be sent out. (Appendix 2)

How will the nappy be disposed of?

Soiled nappies should be double wrapped and placed in the hygienic disposal unit.

What infection control measures are in place?

- Staff should wear the disposable gloves and aprons when dealing with soiled clothing or nappies.
- The changing area should be cleaned after use.
- Hot water and soap should be available to wash hands after the task has been completed.
- Paper towels should be available for drying hands.

What staff should do if the child is unduly distressed by the experience?

If a child is unduly distressed about having their nappy changed, parents should be contacted to discuss the matter. A plan should be put into place for individual children, which can include a social story.

What staff should do if marks or injuries are noticed on a child

Staff should follow the procedure as outlined in the child protection policy.

Parent/carer information and support

For children over 5, parent/carers should be informed that nappies and continence pads are available from the bladder and bowel service. They will need to do an initial assessment to assess whether products are suitable, if a toileting programme is appropriate or they need further investigations or not. The contact details for this service are; 01438492500.

For children who have already been assessed their parent/carers should be advised to contact the school nurse to get more information. (Appendix 3) Additional support can also be offered by the school nurse.

Changing nappies

-  Make sure another adult knows what you are doing!
-  Change nappies in a cubicle or sluice room. (Be aware of privacy).
-  Encourage children to help as much as possible!
-  Children should lie on a changing mat or bed if necessary, NOT on the floor.
-  Wear gloves and an apron.
-  Place nappies in a nappy sack, tie and put into the hygienic waste disposal unit.
-  Clean the area / changing mat afterwards.
-  Wash your hands with hot water and soap afterwards! (Antibacterial cleanser).

Woolgrove School Intimate Care Agreement

In order to best meet the needs of your children when they are with us we would like to set up an individual agreement between parent/carers and the school with regard to intimate care.

Intimate care is any care which involves washing, touching or carrying out an invasive procedure which are children are unable to do for themselves arising from the child's stage of development.

Intimate care may involve helping with drinking, eating, dressing, toileting, or comforting. In most cases at school intimate care will involve procedures to do with personal hygiene.

Staff at Woolgrove providing intimate care are aware of the need to adhere to good Child Protection practice in order to minimise the risks for both the children and themselves. All school staff are supported and trained so that they feel confident in their practice.

Name of child

- To change soiled nappy/pull up and clothing and clean as necessary
- To comfort if distressed
- To assist with cleaning face and hands when dirty
- To assist with drying and dressing before and after swimming

I give permission to Woolgrove to provide appropriate intimate care to my child.

I understand that this will generally be carried out by staff from my child's class but may also be carried out by another member of staff.

The staff involved in intimate care need to know the following information (please write any information that you feel is necessary below, ie child doesn't like being wiped by cold baby wipe. Please continue onto the other side if necessary)

Signed Parent/Carer date

Headteacher

Mrs Lisa Hall

Dear Parent/Carers,

Children who wear nappies will need a pack of nappies, wipes, nappy sacks and nappy rash cream if necessary, to be sent into school.

Children who are toilet training will require nappies/trainer pants/knickers or pull ups, depending on which training system is being used (this will have been decided between you and your child's class teacher), nappy sacks and wipes.

They will also require several pairs of pants/knickers trousers/skirts and socks and at least two t-shirts and jumpers. Please ensure all clothing is named.

We have a limited amount of spare clothing to change children into if they require clean clothing. If your child gets sent home in school clothing please wash it and send back as soon as possible.

..... is running short of;

- | | | | |
|----------------|-------------|-----------------|----------|
| Nappies | Nappy sacks | Baby wipes | Cream |
| Knickers/pants | Socks | Trousers/Skirts | T-shirts |

Headteacher

Mrs Lisa Hall

Dear Parent/Carers,

I'm writing to inform you that as your child wears nappies that these can be obtained free of charge from the health service.

If you require further information about this service or wish to order nappies please contact Lisa Newton, our school nurse, on 01462 492500. In order to order the nappies Lisa will need your child's waist measurement.
