Dear Parents/Carers

Autism Accreditation with the National Autistic Society - Questionnaire

On the 1st and 2nd of May Woolgrove School is being assessed to renew our Accreditation with the NAS as a good school for children with Autism. We need to ask you to fill in an on-line NAS survey for us.

It is very important that we get as many replies as possible for our assessment. The questionnaires must be submitted by 16th of April 2019. The questionnaire cannot be completed after this date. The questionnaire is only a few questions long and should not take more than a few minutes.

There is also a link for children with Autism to complete as well if they are able to. If possible we would like as many as children as possible to also fill this in. It can be completed by the child with support from families.

If you do not have access to the online survey please let us know and we will arrange for you to come into school before the Easter holiday to fill it in here and we will arrange to support your child to complete it in school if appropriate. We are very grateful for your support in this matter and thank you for taking the time to fill in this important survey. Please let us know when you have completed one, or both of the surveys by returning the tear off slip below.
