Dear Parents and Carers,

As you are aware the Year 2020 is a Year of Culture in Hertfordshire.

February's theme is Skills Development and Volunteering.

For the February theme we are encouraging all children to *volunteer in the school or at home or learn a new skill*. The children might be volunteering in another class, making drinks for adults, helping in the office or tidying outside and indoors. At home you might encourage your child to volunteer to help a grandparent or friend or to learn a new skill, such as making my bed or making a cup of tea, drawing, knitting, sewing etc.

We will be sending a homework sheet home to complete to show what your child has done to "volunteer or learn a new skill." We would like to create a display in school to show everyone what the children have tried so if you are able to send a photograph of your child "volunteering or learning a new skill" this would be appreciated.

If you managed to try something new in January, please send the homework sheet in or photographs as these are going to go on display in the school.

Thank you for supporting us with your contributions to the Year of Culture.

Kind Regards,

Vicky Litchfield  
Deputy Headteacher
