Mrs Lisa Hall

Thursday 25th February 2021

Dear parents / carers,

Following the government's announcement that schools are reopening on Monday 8th March I can confirm that Woolgrove will be fully reopening from that date.

It will be mandatory for children to return to school from 8th March however I am very aware that some children have not been in school for a considerable period of time and may need some time to adjust so please contact the school if you have any concerns regarding your child's return.

We will revert back to our usual school hours for the children of 9am to 3pm Mon to Thurs and 2pm finish on Fridays as of Monday 8th March.

Whilst the school is fully opening up all of the recommended safety measures will remain in place including maintaining bubbles, extra cleansing of surfaces / equipment etc and staff wearing of face masks and social distancing where possible.

In addition lateral flow device testing kits are now available to all staff to enable them to test themselves regularly at home and vaccinations have been offered to all staff. These measures will be very important in helping to minimise the risk of any further infections.

As previously communicated it is very important that if your child is **at all unwell please do not send them to school**. Everyone has a part to play in keeping the children and staff of Woolgrove safe and helping to prevent the spread of infections. If you are at all unsure as to whether you should send your child in to school please seek advice from the school office.

Whilst it is very welcome news that we are able to have all the children back in school I know that it will be an anxious time for many of you. Please do contact the school if you want to discuss any concerns as we are here to support you and your child as we return to a full school.

I am hopeful that this is the first step to a return to a more normal school life in the near future and everyone is very much looking forward to welcoming all the children back into school.

Thank you once again for your ongoing support,

Best wishes

Lisa Hall
