Mrs Lisa Hall

Dear Parents and Carers,

Re: Celebrating the Queen's Platinum Jubilee at Woolgrove

Over the course of the year we have held several events to enable the children to celebrate the Platinum Jubilee. In November, each class planted a tree in the environment area to take part in the Queen's Green Canopy initiative. We also planted wildflower seeds donated by the Tower of London Superbloom event.

This week the children took part in our Jubilee Bake-off competition. It was amazing to see all of their creative and imaginative designs. Michelle, our school cook, had a very difficult time choosing a winner. She narrowed it down to four finalists: Parker in Blue Class, Landon in Triangle Class, Annabel in Diamond Class and Ruby in Star Class. Well done to those children, who each received a certificate.

The overall winning design was Ruby's! A photograph of her design will be reproduced onto edible paper so that the children can receive an official Woolgrove Jubilee Cupcake on our Celebration Day on Friday 10th June.

The Celebration Day, Friday 10th June, will be a non-uniform day with special activities for the children to celebrate the Platinum Jubilee. There will be performances by the singing groups and the opportunity to contribute to a whole-school mural. Children are invited to dress up as kings, queens, princes, princesses, or in red, white or blue, if they want to.

Another event this week is the Decorated Crown art competition. Each class is decorating a picture of a crown to be displayed as a backdrop to the singing groups when they perform. Prizes will be awarded to the winning class in each of the learning pathways.

I hope that the children enjoy the celebrations and that they help develop their understanding of the Royal Family, this special year for the Queen

Best wishes,

Janine Budd
