

Woolgrove School – Newsletter No. 4

28th November 2022

OFSTED Inspection

As you are aware we underwent an OFSTED inspection last week. Whilst we await the official report of the inspection, which will take some weeks, the initial feedback from the inspection team was very positive. The responses from parents and carers on the 'parent-view' form were very complimentary about the school and I would like to thank those of you who took the time to complete it and give your views.

We pride ourselves on being a team at Woolgrove and I would really like to pass on my thanks to everyone.... you, the parents and carers, our wonderful staff, the dedicated members of our Governing Body and most importantly our amazing children. Together we have created a happy and successful school of which we can all be proud.

Bag2school collection

Thank you to everyone who contributed clothing and footwear to our collection.

We haven't received the amount raised yet but as you can see we had a huge amount of donations!

Christmas Events

Preparations for the various Christmas events and productions are in full swing! Over the next few days there will be entries on parent mail and letters in book bags regarding the dates and times and opportunities to purchase / donate various items.... The activities scheduled are on the accompanying attachment. Letters regarding the children's Christmas productions and how to order tickets, will also be forwarded in the next couple of days so please check your child's book bag so that you don't miss out.

A reminder that **school is closed for an occasional day on Friday 9th December** and that **school finishes at 1.15 p.m. on the last day of term, Wednesday 21st December.**

Lisa Hall,

Head Teacher
