

Woolgrove School – Newsletter No. 5

13th December 2022

School Closure

As you would expect, every decision regarding the closure of the school is taken with the safety

and well-being of the children and staff at the forefront of our thinking. The weather conditions yesterday meant that journeys to school would have been extremely hazardous and the school site itself was not safe.

Thank you for your support and please ensure that you regularly check your texts and emails during severe weather so that you are aware of any important news.

We still encourage the children to be outside during the cold weather so please ensure they have all the necessary clothing to be able to stay warm and enjoy their play times. Hats and gloves as well as a warm, waterproof coat and welly boots are essential and please ensure that these are all labelled.

Christmas Bazaar

There will be a Christmas bazaar on Monday 19th December in the afternoon. Each class will have their own stall and the children will decide what they will sell or have on their stall. The idea of this venture is to develop enterprise skills among the children with

the profit made from each stall going straight back to each class. The children will then decide what to spend the money on for their class.

Parents/carers will be invited to go round the fair with their child from 1.30 until 2.30pm. Most items will cost either up to 50p or £1 so please bring change with you. If you wish to take your child home with you at the end of the bazaar then please let the office know.

Christmas performances

Our Formal and Semi-Formal classes held their performances last week and after a 3 year gap we were able to invite parents and carers in to school to enjoy them.

The children were wonderful and I hope those of you that managed to come in thoroughly enjoyed seeing the fruits of all the hard work and practice. If you would like to enjoy the occasion again in the comfort of your own home there is a digital link you can purchase. This will then be forwarded to you before the end of term. The link will cost £5.00 and can be paid for on Parent Mail.

Despite the disruption of the closure I am sure that the EYFS classes Nativity shows will be equally as successful!

Christmas Jumper Day

Tomorrow, Wednesday 14th December, is our Christmas dinner and Christmas Jumper Day! The brighter and more fun the jumper the better!

A reminder that **on the last day of term, Wednesday 21st December, school will finish at 1.15 p.m.**

Lisa Hall,

Head Teacher

Christmas Hamper raffle

Don't miss out on tickets for our wonderful Christmas raffle. We are able to offer an HP chromebook as our top prize as well as a number of our legendary Christmas Hampers! We are still in need of donations for hampers so please bring any items you have in to school as soon as possible to allow the hampers to be made up. Tickets are on sale for £1.00 each via parent mail (cash to the office is also acceptable) and the big draw will be made on the afternoon of Monday 19th December.

Parent / carer gift shop

The Friends of Woolgrove Committee are again running our popular "Parents and carers Presents" event which will be taking place on Friday 16th

December. All children who have paid will be able to experience the seasonal 'gift of giving' and can choose **two** presents, pre-wrapped, for members of their family. There will be a small number of extra presents available for those who require a third gift. Please contact the office staff if this applies to you. The cost is £2.50 per present. These are available to pay for via Parent Mail and will come home with the children on Friday 16th December.
