**Mrs Lisa Hall**

18<sup>th</sup> January 2023

Dear Parents and Carers,

## **Safer Internet Day 2023 - Parents/Carers' Online Safety Workshop**

On Tuesday February 7<sup>th</sup> Woolgrove School will be participating in Safer Internet day, a nationally recognised day highlighting all the amazing things we can access online as well as potential threats. All pathway classes across the school will access E-Safety lessons covering: how we like to use technology, role play, dealing with any concerns around using technology and creating E-Safety posters to go up around the school and on our school website.

With this in mind, we would like to invite parents and carers to a free online safety workshop hosted in our incredible new building on Tuesday 7<sup>th</sup> February at 9:45am. The session will be hosted by Simon, Lisa and our onsite technician Matt.

The content covered in the workshops is aimed at adults. The hour-long session will help parents, carers and other adults understand their child's online world, build confidence to have those important conversations to keep children safe online and help you know where to go for advice.

The session will be delivered in two parts: a 15 minute presentation with time for discussion, followed by a workshop where our onsite technician, Matt Farmborough, can support with installing/amending parent controls on your devices. Please bring along any devices that you need our help with to this session.

Many thanks,  
Simon Fawcett  
Cone Class Teacher/ Computing subject lead

Please complete the slip below and return to school by Friday 27<sup>th</sup> January.
