

All our support groups and workshops are free of charge but we ask those accessing our support to become members of Angels by completing a quick online form, here is a link to our membership form:

<https://angelssupportgroup.org.uk/join-us/membership-application-form/>

Once a member, we email zoom links for all online support and also detail the 'in person' meetings each week.

Once a member, parents/carers can also access our 1-2-1 support service which provides individualised support including support at meetings and that service is bookable here:

<https://angelssupportgroup.org.uk/booking/>
