

Technology and Design / Art+

- Mixing colours (secondary and tertiary colours, using white and black to create different shades)
- Looking at examples of artist's work that are inspired by the sea and creating our own sea art (painting, Pointillism, collage and sculpture)
- Designing, creating and evaluating a model.
- Sharing our art work and explaining the process we went through to create it.

Understanding the world and Life Skills

- **Geography:**
- Using the internet and other sources of information to find out about the Great Barrier Reef in Australia
- Creating simple maps using objects and drawings, and labelling them
- **History**
- Changes in living memory and commemorating events from the past - celebrating 75 years of the NHS; hospitals now and then
- Finding out about the lives of significant historical figures: Florence Nightingale and Mary Seacole
- **Life skills:**
- To be able to use a range of equipment in the kitchen e.g. timers, tin openers,
- To be able to produce a hot and cold snack
- To order from a cafe/restaurant

Outdoor learning

A range of subjects will be covered using outdoor learning methods, including core and foundation subjects. We will explore our outdoor environment in nearly all weather!

Communication, Language and Literacy

Texts: The whale who wanted more, Douglas's deep sea Diary, A seaside Poem. Mary Anning Factsheet, Ernest Shackleton, Usain bolt (The boy who leant to fly -video)

- Knowing how it is good to try new things and visiting a new place.
- Understanding how we will grow and change.

Maths

Number and place value
Addition and subtraction
Multiplication and division
Units chosen for specific individuals
Fractions for when children are at range 7 and above.

Computing and E-safety

- Know what an algorithm is a set of instructions we give a device.
- Create an algorithm
- Debug an algorithm
- Use the blue bots when inputting an algorithm
- To type a sentence
- To create a sentence using a computer programme
- To understand technology and uses in the local environment e.g. atm

Field games: cricket and rounder's

Athletics

Physical

creatures

Handwriting and threading

Cutting managing clothing

Signing is an important part of the way in which we communicate around the school for all adults and children to enhance understanding. We will be having regular sessions teaching the children different signs that are relevant to our topics.

Our topics this term are;
First half term - Under the sea.
Second half term - Famous for more than 5 minutes
