

## Family Support Worker

My role as Family Support Worker, a member of the Senior Leadership Team and a Deputy Designated Safeguarding Lead (DDSL), makes me a link between home and school, working closely with families and teachers to ensure the best outcomes for all children. This includes attending meetings with professionals to support families with any issues.

I work closely with County Transport, who accept and allocate all our transport applications.

School council have regular meetings with Vicky, I and Beau so we can discuss what the children like and want to improve about their school.
