

Woolgrove School – Newsletter No. 9

18th April 2024

Here we are, in the final term of this academic year already! As always, we have plenty to look forward to this term.

Film Night

Our next movie night is next week! Details below, do come and join us. Parents must accompany their children to this event. Please book on Parentmail or contact the office.

Website

I am pleased to report that the issues we were having with the links on our Website have now been resolved. All newsletters and information will updated shortly. Please do use this valuable resource as it contains plenty of useful information about Woolgrove and beyond. Follow the link www.woolgrove.herts.sch.uk

School Dinner Prices

An email was sent out earlier in the week as a reminder that the school dinner price change is now in effect at a cost of £3.35 per meal.

Warmer weather

A reminder that, as the weather improves, the children will need a named sun hat and named sun cream in school

to help keep them safe. Sun cream is extremely important for children. Their skin is much more sensitive than adult skin, and damage caused by repeated exposure to sunlight could lead to skin cancer developing in later life. Rest assured that we will always do our best to keep the children as cool as possible and we take all sensible precautions.

Please remember coats and wellies also as we encourage the children to play outside whatever the weather.

Please remember to label all of your children's belongings so that they can be easily reunited with their owners.

Absence

As we enter this final phase of the school year, please be reminded of the

importance of good attendance. Good attendance is a key factor for our learners and any pre planned absence must be authorised in advance by the school. Please click [here](#) for the attendance policy on our website.

Thank you

Clothing donations were very gratefully received this week and have been collected.

This will benefit both the school and the recipients of the items, so a huge thank you.

Poetry in Purple

Last term Purple Class wrote poems about dinosaurs and entered them into the Young Writers poetry Competition. We had some fantastic news that they would now like to publish these poems in the 'Poetry Bus -Little Dreamers!' The pupils have been awarded certificates which Lisa has handed out and they have each received a special bookmark. We are very excited to see their poems published in the book!

Goodbye / Welcome Back

As you are aware John, our Office Manager, left us this week.

A warm welcome to Sharon Weeder who has taken up the post. Some of you may remember Sharon from when her daughter Lauren attended the school.

Amy Miller has returned from maternity leave to resume her teaching role within the school, welcome back Amy.

Vision and Values

We are very pleased to share with you Woolgrove's brand new school vision. We have had brilliant input from staff, governors, children and parents from across the school. Please find attached, shortly to be uploaded to the website.

Term Dates

Please see overleaf a list of dates for the remainder of this term and the term dates for the new academic year 2024/25.

Kind regards,

Lisa Hall,

Head Teacher
